Meeker Sportsman Club Pledge

I certify that I am a citizen of good repute of the United States of America; that I am not a member of any organization or group having as its purpose or one of its purposes the overthrow by force and violence of the Government of the United States or any of its political subdivisions; that I have never been convicted of a crime of violence; and that, if admitted to membership, I will fulfill the obligations of good sportsmanship and good citizenship.

Meeker Sportsman Club Hunter's Code of Ethics

I will consider myself an invited guest of any landowner, seeking his permission to enter upon his premises, and so conducting myself that I may be welcome in the future

I will obey the rules of safe gun handling and will courteously, but firmly, insist that others who hunt with me do the same.

I will obey all hunting rules and regulation and will insist that my companions do likewise.

I will do my best to acquire those marksmanship and hunting skills which assure clean, sportsmanlike skills.

I will support conservation efforts which can assure good hunting for future generations of Americans.
