CLEAN-UP DAY

Apr. 10th 8:30 am – Your presence is requested! Most clubs can afford to hire work done at their facilities, we can't! Club dues can only be kept at a minimum if members pitch in and do the work. Bring anything you feel might be useful... chainsaws, pruners, rakes, shovels, 4-wheelers, etc, etc. We need to work on both the grounds and club house. The club will provide lunch so let us know if you'll be there!

IBO WORLD QUALIFIER

Apr. 23rd 10 am – We hope to have much of the course ready by the 23rd but will need help: setting targets and water stations, doing last minute things to get the archery courses ready. Kitchen and bathrooms need to be cleaned
Apr. 24th 7 am – Set up practice range, long range shot and start taking registrations.

We still need people to help different areas of the event including registration and in the kitchen on both the 24th & 25th. Most of the food at this event is donated by club members to sell and raise money for the club. If you can donate something please call the memberships office to see what is needed. We need all food dropped off on the 23rd during set-up or early on the morning of the 24th. Call if you need to make other arrangements. We're getting down to the wire and still need committed people to help run this event!!

FISH FRY

Saturday, May 1st from 5 pm till the fish is gone! Barry's of Marysville will be cooking at the club house. Cost is \$10 per person, tickets are being pre-sold and may be purchased through the memberships office and at events. Meal will include 3 pieces of fish, choice of two sides, roll and a drink. Beer and extra fish may be additionally purchased. We'll have raffles, 50/50 and card games. If this goes well we'll be planning a game feed for the fall.

RAFFLE

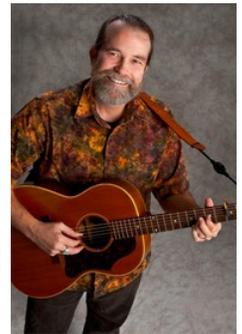

Only 200 tickets and they are going FAST!
Savage 16FXP3 Package – MSRP \$760. 22-250, 22" BBL, 1 in 12 Twist, 3-9X40 Scope, AccuTrigger, Black Synthetic Stock, Nylon Sling. Tickets are \$5 each, drawing will be held when all tickets are sold. There will be an option for \$500 cash in lieu of the rifle. Contact the memberships office for a ticket soon or you may be out of luck.

MAY is "Range Month"

Plans are being drawn up so that anyone who can help with the range will be able to get a drawing of the layout and instructions on what they can do. If you're one of those people "waiting" for the range, please consider being part of making it happen! With any luck at all we'll have at least 250 yards ready for use this year. For more information call Denny 740-361-1767.

FOLK CONCERT

Another Folk Concert is scheduled for August 29th at 6pm. Performing will be award winning singer/songwriter Daniel Boling from Albuquerque, NM. Daniel appears at concerts and festivals across the country and plays guitar, banjitar (guitar/banjo hybrid) and harmonica. You can read up on him and hear some of his music at his website www.danielboling.com. He will play two 45 minute sets with a break in between, food and drink will be available. \$10 suggested donation!

CLUB RULES

There were some changes made to the club rules last year, it seems quite a few of the long time members haven't taken the time to read them. Copies are sent with all renewal notices and can be obtained at any time through the memberships office. Take the time to read them!
